The Ultimate Ballistic Protection

Molle General Purpose Vest

Overview

The Molle General Purpose Vest offers the maximum protection in our Advanced Armour range. All of these additional components are removable if the mission dictates, allowing the user to use the MGPV as a standard vest. The MGPV is an ideal vest in high threat areas or doing internal security, such as riot control. Also, the MGPV, is designed such that it is easy to don and quick to remove. With a simple front jacket style solution, it provides excellent protection, while remaining simple to use. It comes complete with MOLLE attachments and load out points, allowing full tactical use. The vests accept 10" by 12" plates provided by us. It comes complete with MOLLE attachments and load out points, allowing full tactical use.
